

Biblical Encounters - it's an experiment!

Welcome - we are excited to meet you!

On the **fourth Friday of the month at 18:00** we welcome anyone, regardless of confessional or religious background, age or sexual orientation, who is interested to **share insights, ideas, opinions and thoughts on biblical texts.**

We meet alternatively in the rooms of **St. Johannis Ev.-luth. Church, Leonhardstr. 39, 38102 Braunschweig** and the **International Student Congregation in Pockelstr. 21, 38100 Braunschweig.**

Usually, we start with some nice Indian and German food, get to know each other, sing a few songs as well as share on the Bible text of the following Sunday. We

extend this **invitation on behalf of English speaking members of St. Johannis from as well as members of the International Student Congregation of Braunschweig.**
